

Forensic Psychiatric Hospital

*Progress on action plan, including safety actions,
as of March 15, 2019*

A. Improving patient, staff and public safety

- Approximately 200 members of staff have now been trained in therapeutic and relational security. Provincial Violence Prevention Curriculum refreshers continue to happen bi-weekly.
- An environmental risk assessment, including seclusion rooms, is substantially complete. Other facility renovations and upgrades are underway.
- Hiring for clinical security liaisons is in progress.
- New policies regarding contractor safety and suicide prevention have been created and posted.

B. Improve clinical-service delivery and patient centred care

- Results for our patient needs assessment, which will help us better meet patient needs and determine future staffing needs, are expected later this month.

C. Strengthening leadership, inter-disciplinary teamwork and professional development

- All 10 new forensic security officer positions have now been filled.
